This application shall become the Potential Stormwater Area Development Permit when Approved by the Floodplain Manager. The permit shall be construed to be a license to proceed with the work and shall not be construed as authority to violate, alter, or set aside any of the provisions of the applicable codes, nor shall such issuance of this permit prevent the Building Official from hereafter requiring a correction of error in plans or in construction or of violations of the codes. I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of the Laws and Ordinances governing this type of work will be complied with.
